APIC Member ID # 111453 Member Since July 2007

Work Phone: 678-388-6465 Alternate Phone: 404-803-1092

Email Address: bethnmorrow@gmail.com

Please describe your current scope of practice: _____

 Responsible for ensuring compliance with Infection Prevention best practices in all non-surgical outpatient locations owned/managed by Northside Hospital INC. This includes over 300 locations across the state of GA

Please give a brief introduction of yourself for our fellow chapter members:

I am a Registered Professional Nurse- I am proud to say I have been a nurse for over 30 years and have loved just about every moment of it. I am originally from the Suburbs of Philadelphia PA and have lived south of the Mason Dixon since I graduated with my BSN in 1989. I have been blessed to practice nursing in New Jersey, South Carolina, Virginia and now Georgia.

Along the line in Virginia I stopped off to get my MSN and become a Gerontological Clinical Nurse Specialist. Since the loss of a very close family member to a Health Care Associated Infection in the early 90's I have always been passionate about Infection Prevention. I have worked in Infection Prevention for 11 years. I have been a solo Infection Preventionist in a small rural hospital (wearing many hats) to Director of Infection Prevention for a 5 Hospital Health System. I am currently the Manager of Outpatient Infection Prevention for Northside Hospital INC.

If selected, I agree to honor all responsibilities and attend scheduled meetings of the position that I am seeking. Please indicate your willingness to be considered for one of the positions below by marking your preference:

- Secretary
- President-Elect

Signature: Beth Miller RN JK Date: 10/3/18
