Handouts for Topic: Practical Application of Lean Six Sigma in Infection Prevention

Wednesday, March 17, 2021

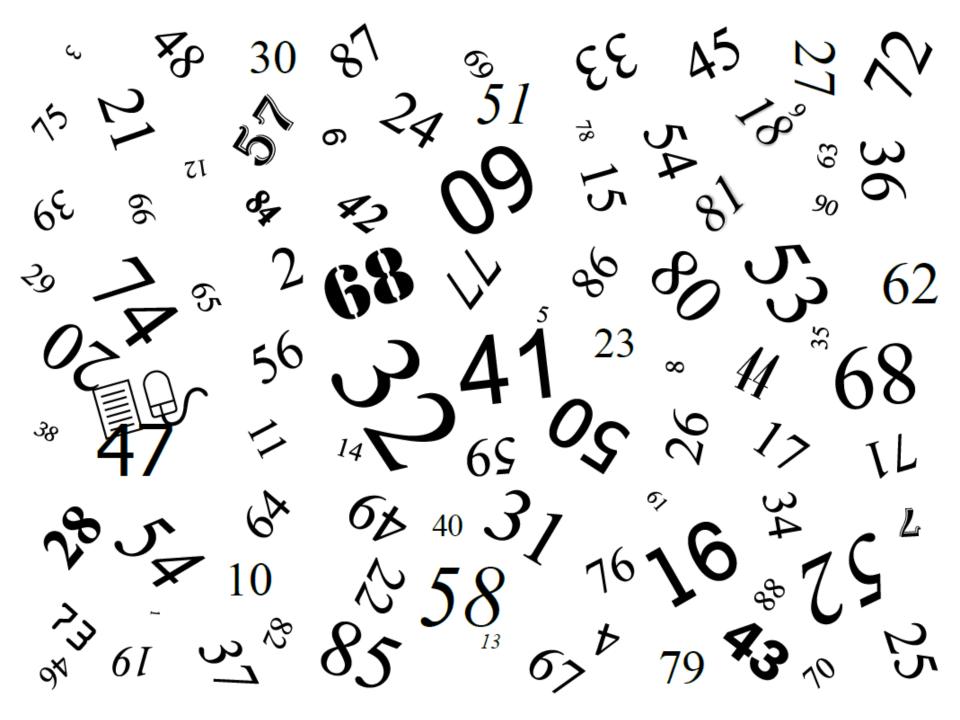

<u>Presented by:</u> Matt Enright, MSIE, FACHE, Six Sigma Black Belt Piedmont Healthcare, Project Manager Value Based Care Mercer University, Adjunct Faculty Stetson-Hatcher School of Business

Instructions to Prepare for 2 Exercises:

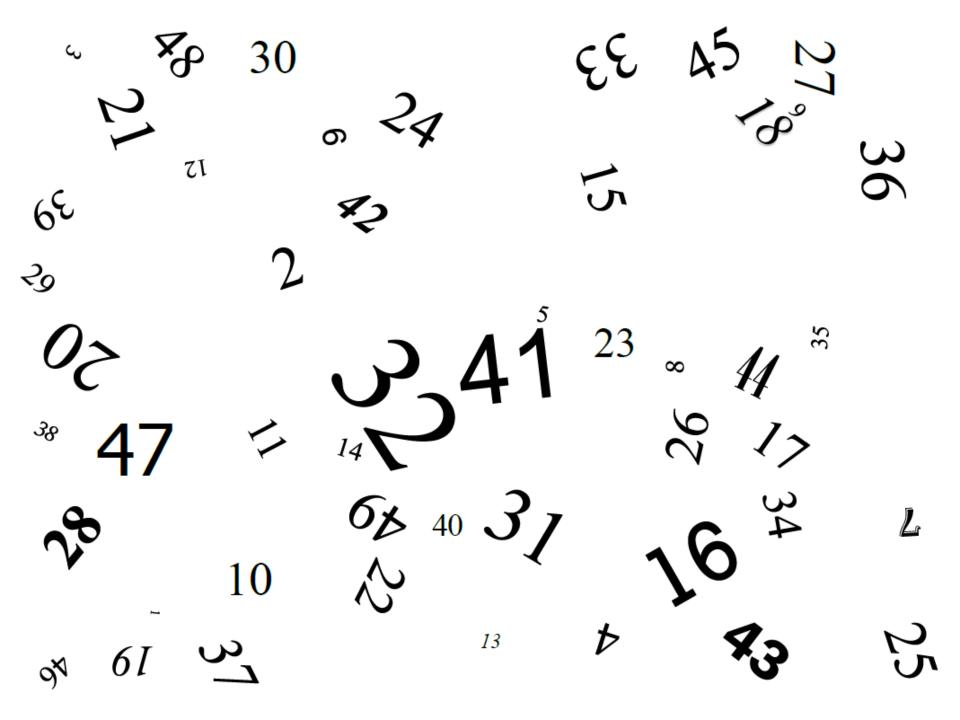

- 1) Please print these handouts which are required for the interactive session during this discussion. For the best experience, please print these handouts prior to the session, **single-sided**, and staple them in the top-corner. Please **do not review** these prior to the session as it will impact the participant experience.
- 2) Please bring one short-sleeved t-shirt.

Please print, but <u>do not review</u> these prior to the session. Thank You!

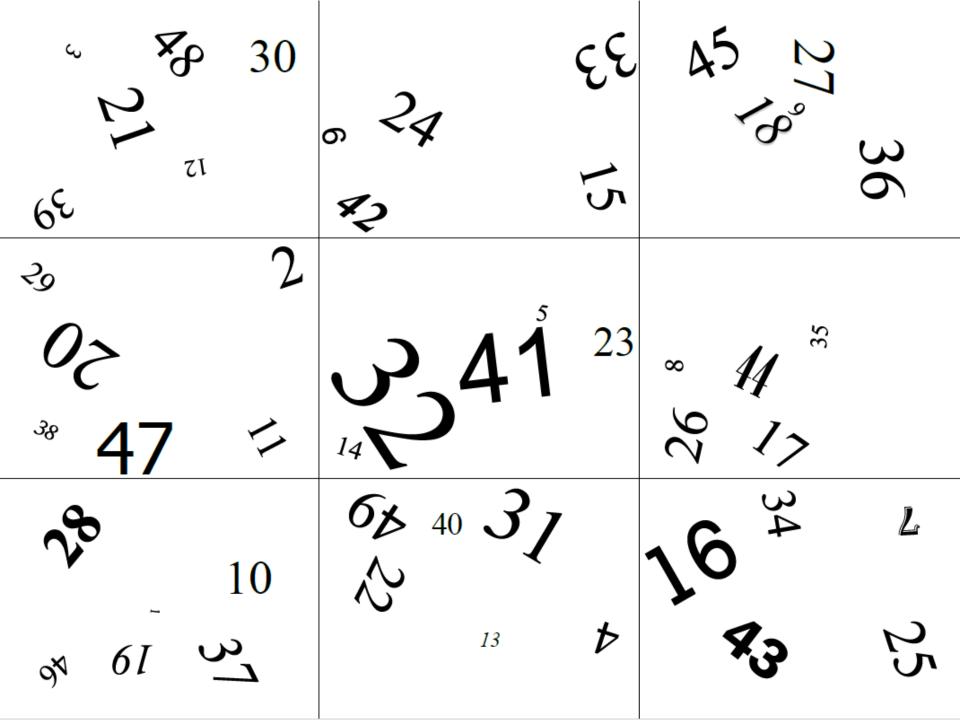

Please do not turn over sheet until instructed by the facilitator.

Please do not turn over sheet until instructed by the facilitator.

Please do not turn over sheet until instructed by the facilitator.

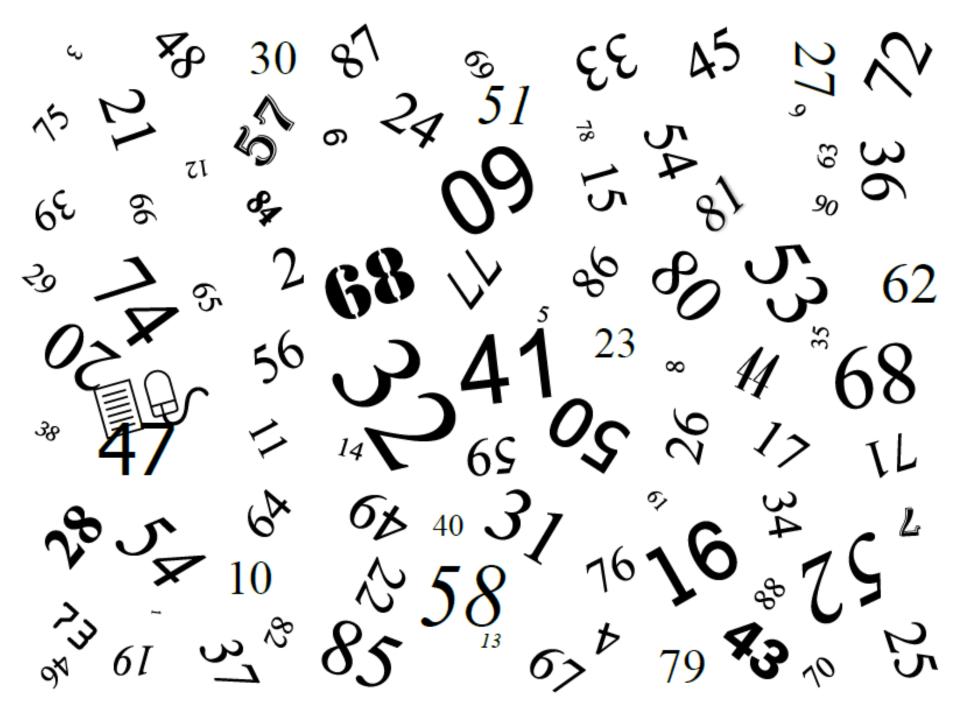

Please do not turn over sheet until instructed by the facilitator.
