Dear Greater Atlanta Association for Professionals in Infection Control and Epidemiology,

On behalf of the BOMA Georgia membership, please accept our heartfelt congratulations on your 2020 Association Award for Civic Leadership. Receiving this honor is truly deserved, as it was apparent during the judging process that you were the top choice!

I also wanted to share some exciting news regarding contributions made to the BOMA Georgia Foundation in honor of your win; contributions you may not even know about. Following this year's Awards Celebration, we reached out to members and offered them the opportunity to make donations to the BOMA Georgia Foundation in your name. This tribute campaign gave BOMA members a way to recognize your success as a local award winner while funding the Foundation's mission to advance real estate education and research.

To learn more about the BOMA Georgia Foundation and to view your building's recognition on the Foundation website, please visit <http://www.bomageorgiafoundation.org/donors/>.

Below is a list of people and companies that made a tribute donation to the BOMA Georgia Foundation in your name. Please consider contacting them to offer your thanks for their support and charitable contribution.

- BOMA Georgia
- Gabriel Eckert
- Jacob Wilder
- Mark Dukes
- Natalie Tyler-Martin
- SERVPRO of Decatur

Thanks again for your support through being a shining example of real estate industry excellence.

Congratulations again on your award!

Best,
